School Policies

1. I/We will complete and return the required paperwork found on the school website by **May 1**. If I enroll after that date, I understand that I will have one week to complete paperwork.
2. I/We understand that the Ohio Revised Code requires children to be immunized. I/We also understand that our **child must be immunized** in order to attend. If a child is not up to date on his/her immunizations, it must be accompanied by a signed note from your doctor with an explanation. Our board will then consider your request for enrollment. ***initial here** _____
3. I/We understand that students **MUST be toilet trained** to attend our preschool programs.
4. I/We understand that in the event my child is having any problems, a conference will be arranged between the parents and the staff. New Hope Preschool and Education Center reserves the right to terminate enrollment of your child, if, in the opinion of the staff it is not beneficial for the child to continue in the program or if their enrollment is detrimental to other children.
5. Withdrawal Policy: Because our excellent student/teacher ratios affect our budget, we plan on your child's enrollment for the entire year. A 30-day notice is required for your child's withdrawal from the program. Withdrawal requests must be made in writing.
6. I/We understand the importance of keeping physical information and contact information up to date with the Preschool.
