Due to COVID-19, we are having a contactless registration. We will be taking your registration materials from your car.

Please remain in your cars and form a line starting at the main preschool entrance door (not the church entrance with the overhang). Please place your check and registration forms in an envelope. If weather allows, please place your envelope on your windshield for us to collect. If inclement weather arises, please pass the envelope out of your window (please wear your mask).

At 7:30, we will walk by each car to collect the forms. As we collect them, we will place them in numerical order and register each family in that order. Please make sure to mark 3 class options for your child if possible. If you would like to register after 9:00, please call the office (614)766-2446 when you arrive, and we will come out to your car to get your registration materials. Thank you in advance for your cooperation with our registration process. We are grateful for your interest in our program and look forward to enrolling for our 2021-2022 school year!
