

## January Newsletter

Happy New Year! Wishing you all the best in 2020.

Our registration for current families, returning families and church members began early this morning. We are grateful for your continued interest in our program. We are fortunate to have the opportunity to teach your children and thank you for the sacrifices and commitment you make to send them here.

We will begin open registration for new families on Wednesday, January 15. We have been giving many tours over the last month and thank you for referring us to your friends. Many new families express they were recommended to us by our current families.

In the classrooms in January, we will explore various winter themes, continue building math, science and literacy skills and make learning fun each day. Please join us for Storytime in the Sanctuary on January 14 or 15 at 11:10 or 2:40. It is a nice time to take 10 minutes to sit and share time with the children while they are learning about Jesus.

### Weather closings

We will only close school when Olentangy Local School District closes. We will NOT have any school delays because the delay time is our regular start time. You will receive a text in the Remind app, an email from your teachers and alerts on the news stations. In addition, closures will be posted on our Instagram and Facebook pages.

### Reminder

During these very cold days, please have your child ready to exit the car during stop, drop and roll. We appreciate your cooperation.

## Upcoming Events

January 6	Registration day
January 15	Open registration 8:00 am
January 14, 15	Storytime in the Sanctuary
January 20	No School, MLK Jr Day

### Parent Night, 2020

Our Parent Night will take place on Monday, February 24, 2020 from 5:30 – 8:00 pm. We will be raising money for Nationwide Children's Hospital as part of our community outreach program. It is a special night for you and your child to enjoy some food from a food truck, participate in some classroom activities, have fun with the Turtle Lady, find some books at the Scholastic Book Fair, and bid on items in the silent auction. We look forward to our annual event with you!

### Photo request

If anyone has any group photos from the Christmas program, please send them to Allison Kupper at [welcome@newhopepreschool.com](mailto:welcome@newhopepreschool.com)

Since the teachers and staff were active in the program, we were unable to get pictures. We appreciate your effort in helping us gather some pictures.
